Dear Ms. Davis:

The Jim Tracy for Congress Committee (hereinafter Committee?), FEC ID# C00540633, is in receipt of your Request for Additional Information (RAI) dated April 21, 2014 referencing the Amended April Quarterly FEC Report (01/01/2014 03/31/14). The Committees response follows.

The committee has reviewed the transactions identified in the RAI for excess contribution limits. All individual donors with apparent overlimits were resolved as a matter of course per the regulations relative to reattributions/redesignations and these memo transactions will either appear on the committees subsequent report, or the committee will amend any previous reports that may have disclosed an incorrect election cycle.

The contributions from unregistered committees prompted letters to the donating entities that a) ask for verification that the funds received were from federally permissible sources, and b) notified each entity of the 1,000.00 limit that unregistered committees may contribute to all federal candidates per calendar year without requiring registration with the Federal Election Commission. All contributions identified in the RAI have not exceeded this limit. Therefore, no refund or amendment concerning these transactions is necessary.

Sincerely,

Melodie Johnson
Assistant Treasurer
